**Essential Questions:**

- *How do we apply our Vision and Goal to a real world problem?*
- *How will our vision & goal help us introduce our new principal to our hopes and dreams?*

**Directions:** Use a creative way to show how you think our vision & goal will help us introduce our new principal to our hopes and dreams.

(You can use comics, make a list, write a paragraph, draw a picture or cartoon, map out a storyline for a film, or find some other creative way to show what you think.)
